Heated Pet Pad

Even with soft foam and a dual-thermostat heater, the Creative Solutions by K&H Pet Products™ Heated Pet Pad remains amazingly affordable. After your pet lies on this heated pad, its temperature rises to match your pet's natural body temperature. If your pet strays from the bed, the Heated Pet Pad will stay 12 to 15 degrees above a room's temperature. The Heated Pet Pad comes in 2 color and 2 size options and features a removable cover. The cover can be washed on gentle cycle with cold water and line dried. Designed for indoor use. MET listed. One year limited warranty.
