

Please read all instructions carefully before use.

To Activate your Coolin' Pet Bowl™:

1. Remove rubber plug from the bottom of the bowl.
2. Fill the interior of the bowl with water.
3. Replace the rubber plug snugly into the hole to seal.
4. Vigorously shake the bowl for 10 seconds to activate the Cool Crystals.
5. Let the bowl rest for 45 minutes to allow Cool Crystal expansion.
6. Your bowl is now activated and ready for use.

NOTE: To properly maintain your Coolin' Bowl™- occasionally remove the plug and top off with water

How to use your Coolin' Pet Bowl™:

1. Place the Coolin' Pet Bowl™ in your freezer.
2. After completely frozen, remove from freezer.
3. Fill with cold water and **place in a shaded area.**

TIP! For up to 5 more hours of cool water, fill the bowl with 1" of water and then freeze. Top off with cold water and set out for your pet to enjoy all day.

1. Remove Plug

2. Fill interior with water

3. Shake & wait

4. Freeze

5. Fill with water & enjoy

CAUTION: Due to extreme coolness, this bowl *will* sweat. Always protect floors or carpeting from the sweating of the Coolin' Bowl™.
