A little about us...

In Colorado Springs the air is crisp, the winters are cold and we think it is the best place to come up with innovative ideas to bring more comfort to your pets.

At K&H, we understand how much you **love** your pets. That's why we are dedicated to making the highest quality pet products available. Whether it's a heated dog bed, self-warming cat bed, stock tank de-icer for your horse, or any of our other **top quality** animal accessories, your pet will be more comfortable when using a K&H product.

To view our **new and innovative** products please visit [www.khmfg.com](http://www.khmfg.com).  
You'll be glad you did!

a warm place to snooze  
that isn't the floor...

## QUALITY

K&H products are crafted with the finest materials available to ensure the ultimate in comfort and durability, and to provide years of enjoyment.

## THERAPEUTIC BENEFITS

Whether choosing a heated bed for an elderly pet, a cooling bed for the dog days of summer, or an orthopedic foam bed to prevent sore elbows, your pet will love the choice you've made. We offer lots of beds, warmers and comfy items to keep your pets their happiest.

## VET & PET EXPERT RECOMMENDED

From veterinarians to kennels to pet experts, K&H products are widely used, distributed, and recommended. Like the experts, you'll find our products reliable, affordable and extremely beneficial.

## GREEN & ENERGY EFFICIENT

With our industry leading technologies, many of our electrical products cost less to run than an average night light. Low wattage = low operating costs. In addition, K&H proudly uses foam made from bio-materials such as corn and grain, and polyfil stuffing made from recycled soda bottles. We're just trying to do our part...

## PRODUCT DEPTH & INNOVATION

Visit [www.khmfg.com](http://www.khmfg.com) to view the most extensive product offering of its kind. No other manufacturer in the world matches the unique, innovative, industry leading designs, and product lines K&H offers. Take a look and you'll agree.

## SAFETY

K&H Pet Products works closely with MET Laboratories to assure we exceed all safety standards. We work tirelessly for your peace of mind.

Even more reasons to love K&H!  
We have products for all of  
your animals,  
inside & out of your home,  
no matter the weather!

after a day of mischief...  
a **cozy** place to rest.
